THE MAGICAL CHRISTMAS JIGSAW

At a bustling Christmas market full of the joyful sounds of carol singers and cheeky market sellers, five excited children come across a very special stallholder who gives them a tatty old Christmas jigsaw in return for the promise that they will find time to complete it on Christmas Eve. As the children gradually piece the jigsaw together with the help of a very special visitor, the Christmas story comes to life with all the traditional nativity characters.

Get stuck into this adventure of a musical and let your imagination loose – it's amazing what happens when you just believe!

ALBERT EINSTEIN

JM BARRIE AND GREAT OSMOND STREET

In 1929, with the popularity of both the play and the novel firmly established, Barrie unexpectedly and generously gifted his copyright of Peter Pan to Great Ormond Street Hospital (GOSH).

Barrie had already supported GOSH over many years and in 1929 was approached to sit on a committee to help buy land, so that the Hospital could build a much-needed new wing. Barrie declined but said he 'hoped to find a other way to help instead'. Two months later, the Hospital board was stunned to learn that Barrie had donated all his rights for Peter Pan to GOSH. At a Guildhall dinner later that year, Barrie explained the impetus for his gift: "At one time, Peter Pan was an invalid in the Hospital... and it was he who put me up to the little thing I did."

Through this gift, Peter Pan's magic made an unprecedented leap from the realm of fiction into reality and the Hospital began to receive royalties every time a production of the play was on, as well as from the sale of Peter Pan books and other products. Barrie requested that the amount raised for the Hospital from Peter Pan never be revealed, and GOSH has always honoured his wishes.

In recognition of J. M. Barrie's unprecedented generosity, and the exceptional work of the Hospital itself, The House of Lords sprinkled more fairy dust over GOSH in 1988, by voting overwhelmingly for a special clause in the UK's Copyright Designs & Patents Act. This amendment gives the Hospital the right to a royalty from Peter Pan in perpetuity. Thus, for over 80 years, the story of Peter Pan and his battle against archenemy Captain Hook has enchanted children and adults alike, and continues to benefit the seriously ill children who come to GOSH for life-saving treatment every day.
